In Progress (1)

- **Overlap Study:**
 - analyse a subset of medicine
 - list 200 monograph titles
 - printed after 1945.
- **Challenge**
 - The tools to determine & manage the data (COPAC?)
 - conversion to a practical application
 - framework of questions to use against 5 or 6 SCURL libraries.

In Progress (2)

- **Collaborative Store**
- 4 SCURL members require offsite storage asap
- **Business Committee** recommended:
 - >Commission an evaluation of institutions' costs currently storing off-site
 - >Make an economic case for a shared store
 - >Prepare for Tender

- Print books
- E-books
- Subscription Management
- Learning Content

SHEDL Steering Group

Other Considerations to CM (2)

Library Refurbishments

- “Most of our books have gone into storage whilst Levels 3 & 4 are closed for refurbishment this summer. We do have a summer collection of Reading List items available to borrow on Level 2 in the Creative Design Suite though.”

Practicalities

HERIOT WATT UNIVERSITY  **Library**

Refurbishment

We apologise for any noise and disruption caused by the refurbishment

Ear plugs are available from the Service Desk

Other Study Spaces are available in LC1, LC2, the James Watt Centre and PC Labs across campus

- The challenges and opportunities remain
