

Collaborative Collections Management - WHELP

JISC Collection Management: Share the Experience @
Royal Holloway 11th June 2019 Jane Daniels

Bibliographic Librarian
Cardiff Metropolitan University

2018

- * Period of flux – institutional re-structures
- * Loss of WHELF Shared LMS Project Manager
- * No WHELF CM policy or strategy

Despite this:

- * Established a WHELF Yammer Group
- * Work with Jisc continued i.e. WHELF Pilot Group holdings data to test Hub functionality

2019 Developments

- * Jisc have loaded all WHELP holdings:
 - * **Discover** - All but 2 institutions searchable in pilot service
 - * **Cataloguing** – All records that can legally be shared
 - * **Compare Hub** – July Launch will include all CCM Tools functionality:

“Identify last copies. Assess material for retention, digitisation, and conservation. Visualise collection strengths. Quickly discover rare and unique holdings. Develop new collections. Explore subject collections across the UK. Produce graphs and reports.”

Next Steps

- * Compare Hub Development phase July 2019 –
 - * New data analysis tools & CM capabilities
 - * WHELF Compare Hub - Workshop
 - * 26th November @ Aberystwyth University
 - * New WHELF LMS Business Manager Appointed
 - * Share feedback from this event
- = Renewed Impetus for WHELF CM Activities
